GROW AMAZING LIVE SEA-MONKEYS!®

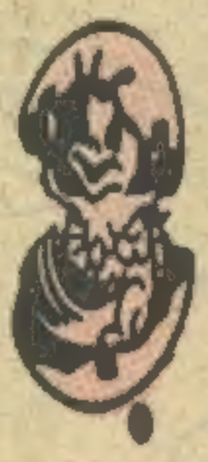
Just Add Water — you've got "INSTANT LIFE"®

Yes, it's the living truth! In only five minutes you will actually hatch a whole tumbling, playful, happy troupe of Sea-Monkeys that are even more fun than a zoo full of chattering, howling jungle monkeys! World's most amazing new pet, children and adults alike will laugh and thrill with wonderful excitement. Watch the comic antics of these fantastic underwater buffoons that are really alive. Any minute of the day or night, you'll see them chase one another in a playful game of tag. The loser gets caught by his tail and is spun in a dizzy circle. See the "showoffs" turn cartwheels of joy in the water . . . see the ticklish ones "scratch" each other's backs. Watch them swim singly or in ever-changing graceful formations, creating a live sea-circus.

Watch the Miracle of Life

These genuine living sea animals begin life from a seemingly inanimate handful of glittering crystals which contain the secret of life. A fantastic genetic material that stays alive for as long as twenty years. And these delightful pets that are born alive are so tiny . . . only three-quarters of an inch long when full grown, you raise an entire troupe in an ordinary glass of water from your sink. It's so safe, just empty the package of crystals we send you into the fish bowl of water and you will immediately see "Instant Life." Best of all, you can create a whole new brood at any time, to give as gifts or sell if you wish.

ONLY $1.00



They Obey Your Silent Commands

You can actually make these marvelous Sea Monkeys behave like a bunch of trained seals as they follow a beam of light anywhere. Just darken the room and watch them follow a flashlight or candle beam forward, backward, sideways or around like a pack of happy kids playing Follow the Leader. So don't delay! Order now. Only $1.00 plus 25¢ shipping charges complete.
